⁶ Fee is charged in the same currency as the respective loan.

The rate applied is the OP Corporate Bank's rate for the respective currency at the moment of charging the fee.

⁷ The Commission Fee may be applied to the balances in the Account/ Master account in other currencies as well. In this case, the Bank will calculate the Commission Fee based on the deposit interest rates (in absolute value) set by the respective national central banks, dividing the said deposit rate by 360 and multiplying the cash balance in the Account/ Master account. The Commission Fee will not be applied to the currency and for the period of time until the central bank has set a deposit rate of zero or positive for the currency in question. Information on interest rates on deposits in other currencies is available on the websites of the respective national central banks.

* VAT will be added to the service cost and fee. ** SEPA payments in Latvia will be executed with the same day value.

*** Actual costs from third party (notary service, postal expenses, etc.).
